

Service Providers Required for
INDIA PAVILION - BIO INTERNATIONAL CONFERENCE
June 19-22, 2017, San Diego, USA

ABLE – The Association of Biotechnology Led Enterprises is a pan-Indian Biotechnology association that has over 400 members. ABLE holds several national events and coordinates the India Pavilion in several International biotech events.

For 2017, ABLE has been given the mandate for putting up a 2400 sq feet INDIA pavilion at the BIO International Convention to be held from June 19 to 22 in San Diego, by the Department of Biotechnology, Government of India.

ABLE invites proposals from various service providers for various services including those of Pavilion and Booth construction, furnishings, electricals, audio visual, housekeeping, etc. on a turnkey basis. Service providers with extensive experience in such big format shows in the US and with a proven record of high quality delivery and good financial standing may contact us for further details (anil@ableindia.org.in)

The proposals will be judged on merit, creativity, experience, resources etc. Soliciting will invite immediate disqualification. The initial deadline is 7 calendar days.
