

EPG is happy to announce the third edition of Bioconclave, www.bioconclave.com, London from September 5-7, 2017. EPG has partnered with **ABLE** to create a sustainable partnership through **Bioconclave London** with India, UK, Europe.

ABLE members will get special discount rates to participate in Bioconclave, London. Please write to coo@ableindia.com for the discount code.

The success of the last two years witnessed over 200 B2B, B2R,R2R meetings benefiting European / UK, and Indian businesses and research organizations. This year's Bioconclave had additional focus on Genomics, Big Data, and Connected Care.

Conference will be attended by decision makers and influencers from Biotech and bio Pharma Companies, Government and Regulatory Authorities, Academicians and Research Institutes, Healthcare IT Professionals, Manufacturers, Venture Capital and PE Firms and Public Health Organizations.

We invite you to join us this year to leverage the UK, European biotechnology community and explore how you can scale up or partner.
