

Are You **THE BEST?**

December 2017, Bengaluru

**INNOVATION THEME – BEST INDIA 9TH EDITION
A CLEAN, HEALTHY, STRESS-FREE ECOSYSTEM FOR ALL**

BEST-India (Biotechnology Entrepreneurship Student Teams) sponsored by the Department of Biotechnology (www.dbtindia.nic.in) and administered by ABLE (www.ableindia.in), is a program aimed at encouraging young postgraduate and doctoral students in developing biotechnology entrepreneurship and exposing them to issues involved in commercialization of bio-science.

Successfully held for the past 8 years, this much awaited forum is for young B.E/ B.Tech, postgraduate and doctoral students in life sciences to realize their entrepreneurial dreams.

GET INTO ACTION!

Form a Team of Five with a nominated team leader. Shape your bright innovative business ideas into a Concept Note and send it to us.

A CLEAN, HEALTHY, STRESS-FREE ECOSYSTEM FOR ALL

- **Air Pollution**
- **Water contamination**
- **Food borne Pathogens**

Proposals should be related to the specified areas. These ideas and solutions need to be affordable and usable by any person and be ready to use within 12 months.

Shortlisted **TOP 20 Teams** will get an **opportunity to attend BEST India 2017** - an Entrepreneurship Workshop where eminent leaders from business and academia will hone your skills to convert your ideas into an effective business plan and introduce you to aspects like proof-of-concept, IPR, managing funds, licensing and strategic alliances for starting a venture. **Winning teams will also get an opportunity to attend and present in ABLE's BIOINVEST program.**

TOP 5 TEAMS WILL BE AWARDED 1st Prize Rs. 5, 00, 000/- One team; 2nd Prize Rs. 3,00, 000/- each Two teams ; 3rd prize Rs. 2,00, 000/- each Two teams.

REGISTER YOUR TEAM at www.ableindia.in and upload your concept note on or before **NOVEMBER 15, 2017** (No extension). Registration **Open**. Write to us at best@ableindia.org.in
