ABLE India Pavilion under support from MSME Ministry

Greetings from the organisers of BIO JAPAN 2018, the 20th edition of Asia's Premier Biotechnology Partnering Event with over 900 organisations participating from 30+ countries with expected 9,000+ business meetings to be scheduled during 3 days. BIO Japan is being co-organised by Japan Bio-Industry Association, Japan Pharmaceutical Manufacturers Association and several other stakeholders in Bio Pharma industry, academia and R&D Organisations.

ABLE (Association of Biotech Led Enterprises-India) under the support from the Ministry of MSME, Govt. of India is organising a national pavilion of small & medium companies. BIO Japan is one of the approved International Shows calendar by the Ministry of MSME. https://msme.gov.in/sites/default/files/IC_events_4.pdf

Indian companies who are in the fields of Biotechnology, Re-regenerative Medicines, Lifesciences, Biosimilars, Medical Devices, should participate in the world's second largest Pharma Industry.

You should pay Rs. 2.75 lakh to ABLE to confirm your participation with a Booth and 2 Partnering Tickets. Participants having UAM (Udyog Aadhar Memorandum) should avail a reimbursement of subsidies of Rs. 1.25 lakh + Economy Class Airfare through ABLE.

The companies who don't have UAM, should register in the link below
https://udyogaadhaar.gov.in/UA/UAM_Registration.aspx
